

A Year in Numbers

July 2024 – June 2025

Pathfinder International works alongside women and governments to reduce systemic barriers and drive a better future for society and the environment. By co-designing innovative solutions at the intersections of **health, climate resilience, and leadership** with women and their communities, we ensure a context-sensitive approach grounded in lived realities.

Our Reach

-  Operating in **16 countries** across Africa, the Middle East, and South Asia
-  Implementing **40+ projects**
-  Supporting **12,500+ health facilities**

Health

CONTRACEPTION & FAMILY PLANNING

-  Provided **6.1 million clients** with modern contraception
